Foreword

We the members of the Hopewell staff of nineteen hundred and sixty-six present this, Our Hopewell, to all classes with a sincere hope that it will serve to remind them of the class graduated and to make worthy the traditions of Struthers High School.

All the joys and happinesses of the year 1965-1966 will be presented to you in this book. The seniors will gaze on these pictures and will readily recall the selling of senior concessions and the thoughts of the future. Juniors will look back at a year filled with excitement for they soon will become seniors. Sophomores will become juniors and sell programs and plan for the prom. The freshmen can see how each one of these classes leave S.H.S. and make their class a worthy one.

In the future you will glance through this book and will recall your year at S.H.S. This Hopewell is your record for '66. How you made this year a special one will be written down on these, the pages of your class history.

As we look back over the year we recall the confusion of the first day of school, the crowded and mixed-up halls, the first football game, the thoughts of the Homecoming, bonfires, basketball and track season, pep assemblies, the band, the prom, and many more golden memories.

Soon '66 will come to a close and for each it will hold one special memory. This Hopewell will unlock the doors to those special memories.

Administrators Guide

Educational leaders everywhere are challenged to preserve and nurture the special talent and character of each individual student. Because of the overwhelming numbers of pupils in our schools and the complexities of our social, economic and political problems, this challenge cannot be met by impersonal, automated administrative or teaching patterns.

Our educational program must always be geared to the needs of the individual. The quality of our product is indeed more important than the numbers of diplomas and degrees awarded. If this goal is to be achieved, everyone, not only educators, will have to reappraise his share of the responsibility for supporting a truly democratic pattern of education.

Ray to Struthers High

Ray Hernandez, Struthers' Foreign Exchange Student.

Ray learns American way of living.

TO ALL MY FRIENDS:

My school year is about to terminate, but my memories and the many friendships that I have acquired will never terminate.

The experiences that have made this year the most exciting and instructive of my life are because of all of you who helped to make this scholarship possible.

I want to express my appreciation to the American Field Service—high school and adult chapters, the Board of Education, the school administration, all the members of the faculty, and the students that have donated so generously of their time, encouragement, hospitality, and financial assistance. To all the organizations as well as the citizens of the city of Struthers who contribute in making this program possible, I extend my many thanks.

There has not been a dull moment from the time I entered Struthers High. Each season in the year had a different fascination. My first football season, my first American basketball season, the enjoyable baseball and track seasons, and the fine Struthers marching band will be among my fondest memories.

The main purpose of my visit to the United States of America was to have a year of study in the American school system. All my experiences were beyond my greatest expectations.

My acceptance in the classrooms by the teachers and the students, and my participation in the radio station have given me a better understanding of the American hospitality and the American way of living.

You can be sure that you have shared this year not only with me but with my country—with a people who believe in peace, freedom, democracy, and understanding.

I am leaving my flag with you as a reminder of the friendship, better understanding, and good will between my country, Honduras, and our neighbor, the United States of America.

These boys put forth a lot of time and effort keeping this equipment in good shape.

Through the halls of Struthers High School loud our praises ring for the Interact Club and its services to the school. Members, who must maintain a C average to participate in the activities, elect new members from the sophomore and junior class boys each spring.

At their meetings the boys discuss projects in which they might serve the school. Every year they serve at the Rotary pancake dinner and perform other needed services.

WKTL RADIO STATION

The "knowledge explosion" and the increasing complexity of life in today's world have placed new demands upon education. More than ever before carefully prepared instructional materials are required as teaching tools.

The Struthers City School District has been most fortunate in securing its own radio station, WKTL, which broadcasts programs carefully integrated with the curriculum.

Radio WKTL brings to the classroom other members of a teaching team. These radio assistants can help motivate activities, direct instruction, develop listening skills, and furnish information not readily available from other sources.

The Station of the Public Schools of Struthers is on the air daily throughout the year to help teachers do the most effective job of educating boys and girls.

On October 19, 1964, the Struthers City Schools filed an application for an FM educational Radio Station. On January 19, 1965, the Federal Communications granted a Construction Permit to the Board of Education. A modification of the Construction Permit was granted September 23, 1965. The station's license was approved on October 29, 1965. Radio WKTL is the only all high school student staffed radio station in the state.

WKTL broadcasts Monday, Wednesday, and Friday, from 7:30 A.M. until 9:00 P.M. and Tuesday and Thursday from 7:30 A.M. until 4:30 P.M.

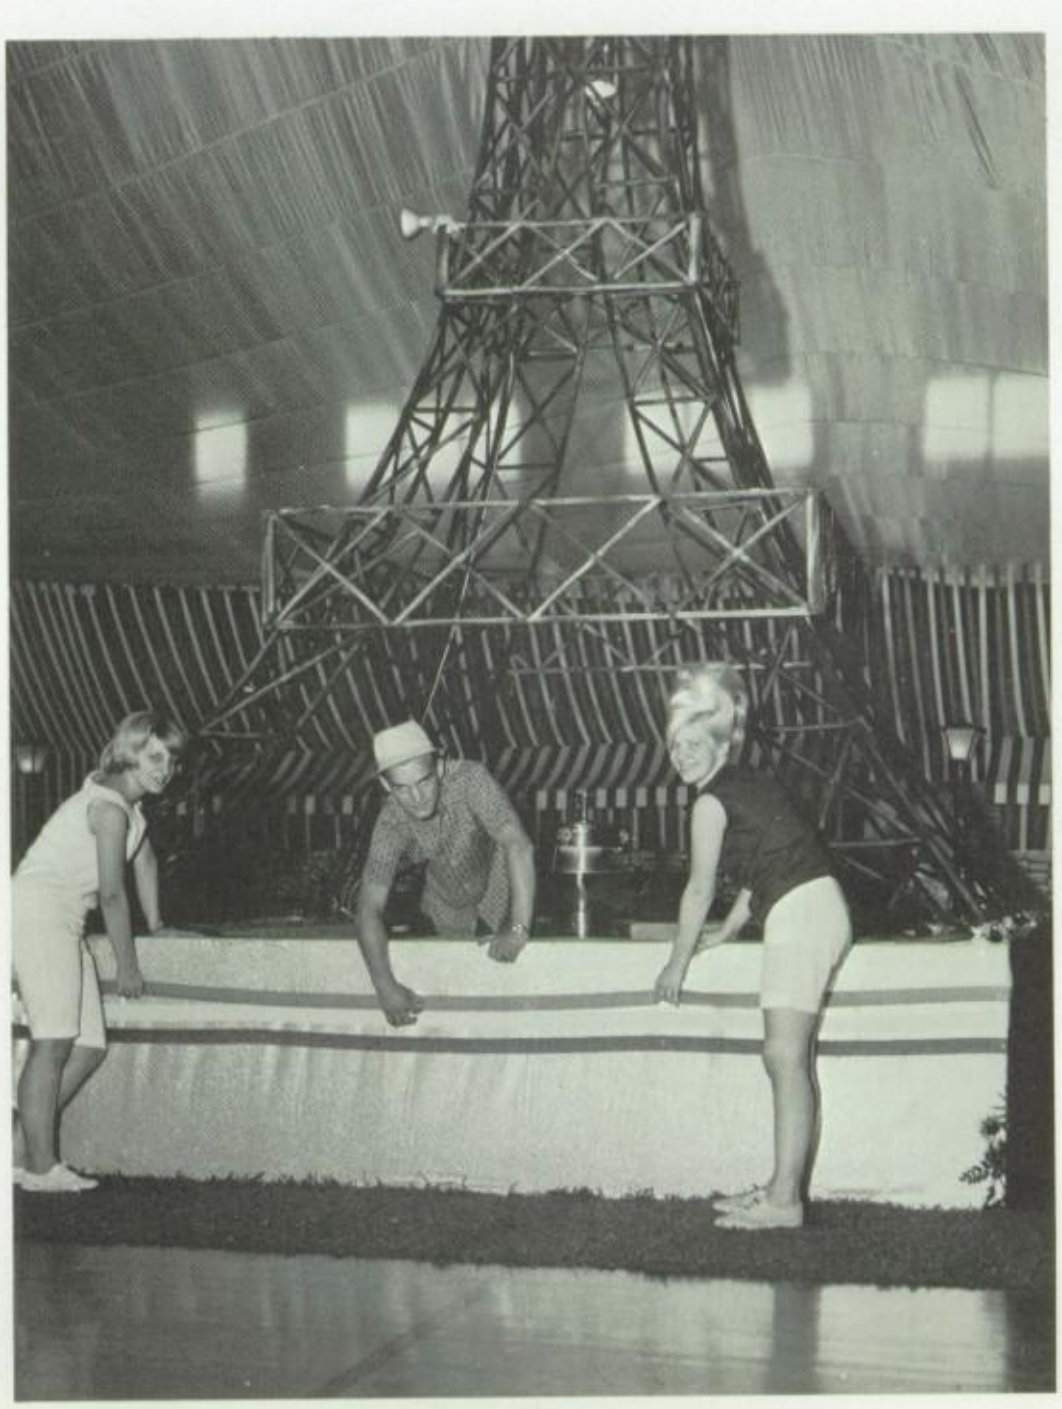
Moments of Excitement and Anticipation

Our Praises Ring Loud

Loud our praises ring for the hours spent by Mike Iberis and Lou Rucci in transforming the gym into the wonder world of "Paris in the Springtime".

Long before the actual night of the prom, Dan Check and the Junior Class began preparations for the gala evening. Through the able assistance of our sponsors Mr. Miller and Mr. Haug, our dream became a reality. The decorations and artwork were created through the talents of Karen Kerlek, Joanie Fissel, and Jim Soldo. Appreciation was also shown to Lou Rucci for his skillfulness in building the Eiffel Tower. United in their efforts to make this the best prom ever, the juniors promoted various money-raising projects. There are far more who deserve recognition than the few listed here, but to name them all would be an endless task. Nevertheless, the remembrance of the hard work and cooperation of these people will ring in our minds in the years to come.



Gerri Phillips, Dan Check, and Joanie Fissel place the finishing touches on the center of attraction, the Eiffel Tower.

for an Unforgettable Prom.

It was "Paris in the Springtime" on the night of May 22, 1965, at our Junior-Senior Prom. Sitting at one of the many sidewalk cafes, we were enhanced by an atmosphere of candlelight and romance. France's national colors of red, white, and blue were carried out in the canopies, table cloths, and flower-carts artistically placed throughout the gymnasium. Loud our praises rang for a prom never to be forgotten.

King Tom and Queen Nancy are crowned by Danny Check, Junior Class president, and Robin Munroe, Junior Class treasurer, as Jeanie Patrick, Ted Kurz and the two crown bearers look on.

The enchanting tones of Mike Roncone filled the air as Tom and Nancy began the royal dance.

This year the students of Struthers High School voted for a Student Council that would present the ideas of the students of various school functions and decisions. Homeroom representatives and alternates were elected from each homeroom in order that the Student Council would be composed of persons who can express the desires of the students.

In order to run for Student Council, candidates must have a petition signed by fifty students and seven teachers, stating their capabilities. All officers and candidates must have a C average and be elected by the student body.

Student librarians, under the directions of Mrs. Elsie Shaw, are constantly kept busy by cleaning the bookshelves, finding periodicals, checking books in and out, and helping any student find certain material he may need.

Senior librarians are honored at an annual tea where they are congratulated for their volunteer work as a student librarian.

STUDENT LEADERS

Taking attendence, starting exercises, supervising students, and teaching a few fundamentals of a game are a few chores of a good student leader. Under the supervision of Miss Alice Faust, student leaders control the girls gym classes. One can always see a student leader busily checking her girls on good exercising procedures.

S.H.S. BAND

Throughout the year praises rang loud for the high-stepping Struthers High School marching band. Under the direction of John Creatura, the band performed at the half-time activities. They worked hard throughout the summer preparing their shows and learning the precision drills. The band, along with the majorettes and managers, spent one week at the Toronto Band Camp under a strict schedule of practice and marching.

There is not only a precision marching band, but also a concert band which plays for various assemblies and contests. The band is aided during both marching and concert season by a group of industrious and energetic students—the managers. They work hard running errands and just generally helping.

The band will remain in our memories as a group of musicians solemnly playing our ALMA MATER.

The Pep Club is one of the most important organizations in our school. It keeps the morale of our teams high. This club fills a vital need in S.H.S. by cheering our players on whether we win or lose.

Wearing red and black on color day, covering the school with game banners, and decorating the goal posts are a few of their important tasks.

With the aid of the cheerleaders, the Pep Club members support the Wildcats with high spirits. We should all be proud of the fine work they have done throughout the year.

STRUTHERS 12 ALLIANCE 8

Struthers High Wildcats showed massive power in winning their first encounter of the 1965 season. Overcoming a 60-yard punt return followed by a 2-point conversion and a fumble on their 20-yard line, the Cats came storming back with a bruising 76-yard drive in the second quarter with Tombo going over from seven yards out. The Wildcats' winning score came in the fourth quarter highlighting a 65-yard sustained drive with senior halfback Ron Lawn ripping off runs of 16 and 27 yards. Lawn compiled 116 yards in 15 carries in leading the Cat offense.

TRUTHERS 14 EAST 0

The alert Wildcats combined two scoring plays with a rugged defense to eat East High, 14-0, before 5000 fans at Wildcat stadium. Struthers' quarterback Vince Suber tossed a 48-yard scoring pass to halfback John Spano with minutes and 16 seconds remaining in the second period, and sophomore Marty Gura fell on the free ball that rolled untouched into the East end zone in the second half kick-off for the two touchdowns. Suber skirted left end for the conversion points following the first TD.

STRUTHERS 56 BROOKFIELD 0

Scoring points in every quarter, the mighty Struthers High football machine romped past Brookfield 56-0, in their first Steel Valley Conference contest. Coach Cummings' Wildcats equally strong on defense, checked Brookfield to a single first down and only 26 yards total. The Wildcats, on the other hand, had 17 first downs and a net of 351 yards. Ron Lawn tallied two scores on jaunts of 18 and 3 yards. Vince Suber, junior quarterback, had the longest score on a 43-yard dash.

STRUTHERS 20 GIRARD 14

The Cats registered their fourth straight victory of the season and second Steel Valley win. Vince Suber tallied on a 2-yard sneak after the Cats recovered a fumble on the Girard six. Lambert deadlocked the score at half-time tallying from a yard out. Taking the second half kick-off, the Wildcats marched 58 yards in 14 plays to move ahead on a one yard sneak by Vince Suber. The Wildcats then padded their lead with an 84-yard drive, Ron Lawn went over from the four. Tackle Mike Sandusky's blocking and the defensive work of Frank Tombo aided the Wildcats' victory.

STRUTHERS 16 FITCH 18

Fitch handed Struthers its only defeat of the season. Greg Galik raced for a TD and passed for another. The Cats led the Falcons at half-time 8-6. Ron Lawn scored on a 22-yard scamper. Behind 18-8, Suber took to the air and drove to Fitch's five yard stripe where he hit Ed Craft in the end zone. Jim Gentile added the conversion.

STRUTHERS 6 WILSON 6

Wilson held Struthers to a 6-6 tie before a Homecoming crowd of 4000. Ron Lawn scored on a 56-yard screen pass from Vince Suber for the Cats' only score. A previous touchdown by Lawn was nullified because of an offside penalty. Wilson's score came on a 56-yard punt return in the final period. Struthers had a total of 202 yards to 107 for Wilson. Leo Morris, senior guard, along with Wade Chambers did outstanding work for the Wildcats.

STRUTHERS 20 AKRON HOBAN 0

Putting together every phase of the game, the Wildcats pounded out a 20-0 victory over a highly touted Akron team. A 48-yard touchdown pass from Vince Suber to John Spano started the ball rolling. In the third period the Cats took the second half kick-off and moved 60 yards in 12 plays. A 46-yard jump pass from Suber to Ted Kurz was the big gainer of the drive. Lawn capped the drive on a one yard plunge. Midway in the final period the Cats registered their final score, Gentile slamming over from six yards out. Struthers' defense checked Hoban twice inside their 20-yard line, and allotted them only 93 yards running and passing. Fred Smith, Jim Gentile, and Jim Soldo were Wildcat standouts.

STRUTHERS 22 HUBBARD 8

Down 8-0 after three periods, Struthers High gridders ran wild in the fourth frame to walk off with a 22-8 victory over Hubbard. Suber scored first from the one, Lawn scored the conversion points. After a Hubbard fumble on their 16, Lawn scampered in for the Cats' second tally. Jim Gentile tallied the final touchdown on a one yard plunge. Frank Pirone, senior tackle, was a defensive standout.

STRUTHERS 6 BOARDMAN 0

The hard-hitting Struthers eleven thrilled a home crowd of 7500 in handing the Spartans their first defeat of the year. Leo Morris dropped the Boardman punter on his own 10-yard line. Four plays later Vince Suber sneaked in from the one. The Wildcats ran 63 plays to Boardman's 39. Struthers led 12-7 in first downs and 220-63 in rushing yardage. The quick-stepping of Vince Suber and Ron Lawn, and fullback Jim Gentile paced the offense. While the hard-charging of Frank Pirone, Ed Solo, and Dave Gura completely checked Boardman's backs.

STRUTHERS 20 CAMPBELL 8

Following the opening kick-off, Struthers traveled 76 yards in 12 plays, with Suber going over from the one. Taking a Campbell punt, the Wildcats marched 46 yards with Lawn scoring from four yards out. The Cats final score came in the third period when Ed Craft fell on a Campbell fumble in their own end zone.

In finishing off a fine campaign of eight victories against one loss and a tie, the Wildcats returned to the pedestal it ruled alone in 1963.

65-66 Season Review

SHS—51 HUBBARD—56

In their opening contest of the 1965-66 season the Wildcat Hoopsters suffered a close defeat at the hands of the Hubbard Eagles. The sharpshooting Hubbard five led 33-28 at the half and held off a closing surge by Struthers to win 56-51.

Vince Suber, junior sensation, led the Cats with 15 markers.

SHS—61 MOONEY—68

On their home court, Struthers found the going rough, dropping a hard-fought battle to Youngstown Mooney. A tremendous scoring performance by Senior Center John Popovich kept the Cats in contention. Popovich tallied 28 points.

SHS—38 RAYEN—61

Traveling to the Rayen hardwood, The Wildcats couldn't jell and made numerous errors as they bowed to the Tigers, 61-38.

The Wildcats were cold and shot a lowly 38 per cent from the field. Suber led the Kerlekmen with 12 points.

SHS—48 BOARDMAN—51

The determined Wildcats battled defending S.V.C. Champs, Boardman, right down to the wire, losing in the last 30 seconds by three points. The fired-up Wildcats were led by junior sensation Vince Suber with 26 markers and John Popovich with 13. The team shot an impressive 70 per cent from the field.

SHS—61 OAK GLEN—54

Struthers basketeers garnered their first victory at the hands of Oak Glen, West Virginia. The Cats would not be denied as they hustled and shot their way to a 61-54 win. Senior guard Ron Coppola pushed through 23 points for the Cats.

SHS—43 GIRARD—44

The Wildcats third S.V.C. encounter ended in heartbreak as Girard Hi hooped the winning foul shots with 17 seconds remaining. Suber and Coppola took scoring honors with 14 tallies apiece.

SHS—68 FITCH—58

The high-steaming Wildcats made Austintown Fitch their second victim as they rolled to a 68-58 win. Dave Davis, Al Massulo, Ron Coppola, and Vince Suber all scored double figures in the well-rounded assault.

SHS—46 WILSON—56

Woodrow Wilson cooled the Cats on their home court in a bitter 56-46 defeat. Struthers played a great first half, but in the second half the Redmen became too tough to handle. Suber chalked up 18 points.

SHS—40 EAST—47

Bad breaks continued to plague the Wildcat five as Youngstown East chopped them, 47-40. The rangy East-siders controlled the boards while they kept the Cats' offense in check. Dave Davis and Fred Rowland hooped 8 each in leading the Cats.

SHS—55 BROOKFIELD—64

The Brookfield Warriors handed the Wildcats their fourth conference defeat and the eighth setback of the campaign, 64 to 55. Playing without injured John Popovich, 6 foot 5" senior, the Wildcats have lost both scoring and rebounding strength. Suber rimmed 18 points to lead the Cats.

Hardworking Team

SHS—57 CAMPBELL—43

Struthers bounced back into the winning column as they set back arch-rival Campbell Memorial, 57-43. The Cats turned in a fine performance as they connected on 60 per cent of their shots. Vince Suber gave another spectacular performance as he burned the nets for 24 points. Ron Coppola chipped in with 10 points to help the attack.

SHS—69 HUBBARD—61

Gaining revenge for a previous loss, the Kerlekmen came from behind to defeat the Eagles, 69 to 61. Expert ball-handling and accurate shooting were key factors in the assault. Suber, Rowland, Massulo, and Coppola scored 21, 14, 11, and 11 respectively.

SHS—40 CANFIELD—43

Struthers caught fire in the first half but fizzled out at the end of the last quarter as they went down to defeat at the hands of Canfield in a hotly-contested battle. Suber accounted for 18 of the Cats' points, followed by Coppola with 14.

SHS—50 BOARDMAN—70

The Boardman Spartans, always tough on their home court, dealt the Wildcats their tenth loss of the season, as they eliminated the Cats from S.V.C. competition, with a 70-50 score. Suber once again paced the Wildcat drive with 13 points. Davis and Watts chipped in with 8 markers apiece.

SHS—51 FITCH—49

On their own hardwood, the Struthers Wildcats squeezed past the Fitch Falcons, 51-49. Plenty of hustle and ball-control proved to be the difference. Suber and Bob Patton tied for scoring honors with 12 apiece.

The Cats' record now stands 5 wins against 10 losses with 3 scheduled games remaining as of this printing.

Struthers High's newly formed golfing team, headed by Alfred Bragalone, began to take shape this season as they played sixteen practice matches with various golf teams from other schools throughout the area.

Serving as previews to upcoming games, these matches prepared the Wildcat Linksmen for next year. The 1966 season will be the first year for competitive golf play in the Steel Valley Conference.

John Popovich led the team with the lowest average, followed by Eric Hoyer, although the whole team displayed outstanding ability. The returnees to the team are John Poprik, Dave Macejko, Bill Ronci and Clarence Andre.

Reserves Mold Varsity Baseballers

Struthers Reserve Baseball Team, guided by Coach John Yemma, posted a season record of 4 wins and 2 losses. Mr. Yemma's main job is to build potential varsity sackers. The quality of his work is shown not only by his record but also by the previous varsity record.

In the past three years, the young Wildcats have lost only one game in Steel Valley Conference play. Chris Ellis, Mickey Nuzzo, Dennis Bodgon, and Marty Gura, leaders on last year's team, will be pressing for varsity jobs this coming season.

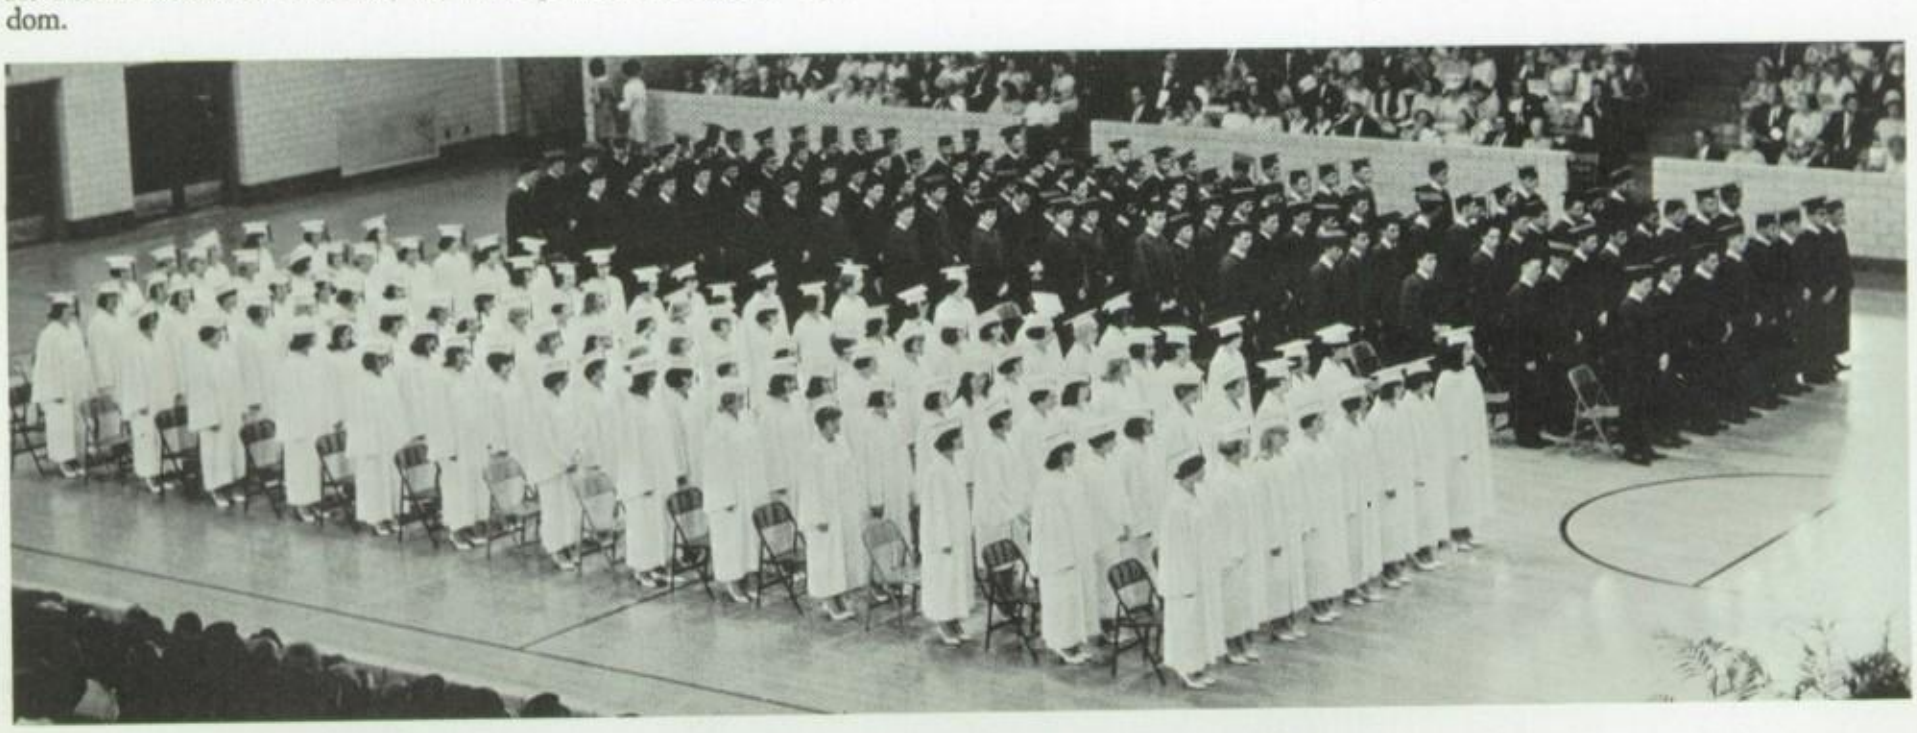
Loud Our Praises Rang for the Seniors of '65

As future leaders of America, we must protect the flag of freedom.

Our praises rang loud for the last time on June 10, 1965, our day of graduation. We realized that our life at Struthers High School had finally come to an end, but the memories we have of those years will be cherished in our hearts forever. The knowledge and experience we have gained will enable us to compete in the outside world.

All rise as Father Rath offers a prayer for the graduates.

Mr. Mackin speaks to the graduating class.



For the last time, the Class of '65 stands together, united as one.

THROUGH THE HALLS OF STRUTHERS HIGH SCHOOL LOUD OUR PRAISES RING, FOR TO THESE OUR BUSINESSMEN ALWAYS WE WILL SING. Without the generous merchants of our community, the Hopewell as such could not exist. These memories of the year 65-66 would remain merely in the minds of SHS students. For these reasons, we at SHS, thank you, the businessmen of Struthers.

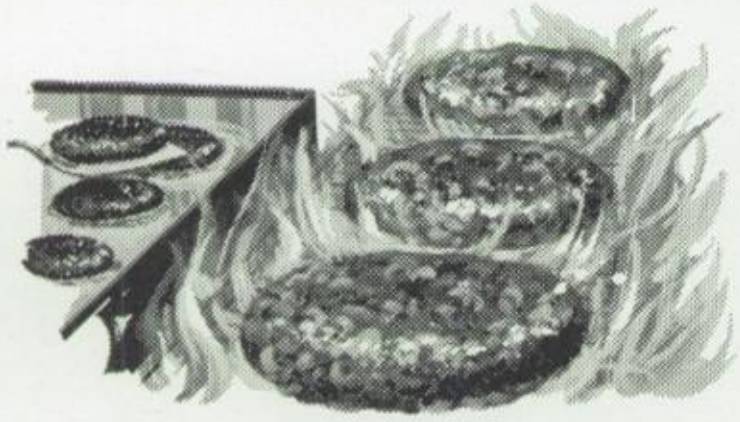
there IS a DIFFERENCE in 15¢ HAMBURGERS



Ordinary 15¢ hamburgers are prepared on a grill . . . natural beef juices are fried out, grease is fried in. Open Flame Broiling seals in flavor and beef goodness. It makes a difference in tenderness . . . a difference in the delicious "cook-out" taste. You pay no more for the difference.

Since you didn't CHOOSE the period of history
in which to be alive . . . aren't you the lucky ones
to have happened into this age?

Why, you're practically sitting on the edge of
space, with no limits at all to your potential!
Whatever the field you choose just now, it's
waiting for a "break-thru."

Enter Science—and you'll head for the moon.
Choose Medicine—and you and your generation
will probably stamp out most of the major
dreads of humanity. Take the Arts—and you're
on the verge of real excitement: new ways
in which even the government is helping to
spread the joys of it all!

How lucky you are, new Graduate!

YOUTH AND THE WORLD

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its door
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled and gray
It's a world that is being reborn every day."

EDGAR A. GUEST

STROUSS-HIRSHBERG'S

Youngstown's Dependable Store Since 1875.

We the seniors now are leaving,
Some are happy and some are grieving.
We look back through high school past
Realizing the years went by much too fast.
As eighth graders we looked timidly ahead,
With anticipation and a little dread.
As freshmen we finally got our start
And we thought we were Oh! so smart.
As sophomores we felt we really belonged
And as juniors we were mighty and strong.
Then the year we waited for came,
With studies, dances, fun, and games.
Now the year is over and done,
And we wish with our hearts it had just begun.

Together through these halls for years and years,
We'd walked and talked and shared so many dreams;
Then, after all the hurts and anger, tears
Were in our hearts and running o'er in streams.

So many times we'd wished that we could run
From here; "Away!" we cried. "Away from this
Great weariness of mind. We want some fun,"
We begged, not knowing of the things we'd miss.

The time came on us soon that we'd desired,
And sadly realizing then our error,
We looked around, and when our time expired,
We slowly left our sheltered world in terror.

In all the years to come we'll see this place,
A happy stopping point in the long race.
